Petitions Demand Recall Election Of WPB Commissio's

150 Signers Ask Recall Of Metcalf, Hitt, Ware And Morris

Petitions demanding the recall of Mayor Ernest Metcalf and Commissioner W. H. Hitt, Donald Ware and N. D. Morris were filed with city commission in West Palm Beach Wednesday night.

Five petitions were directed against Metcalf, Hitt and Ware, and three against Morris, former mayor.

The petitions carried names of about 150 signers, and were represented by Mrs. Carl Murer, 505 Twenty-sixth street. They were received by the commission without comment and turned over to Mrs. Jimmie Gardner, city clerk for the filing of names for qualification.

Mrs. Murer said that at least 100 names of qualified voters must be attached to recall petitions, and that this action was not sponsored by any single organization in the city, but was an action of citizens at large who are disgruntled over the city's action in its bonded debt settlement program.

Announcement of the recall action was made recently at a meeting of the Woman's League for Better Government, but this organization disclaimed any responsibility for sponsoring the movement.

The recall is directed against the mayor and three commissioners for approving and entering into a contract with L. M. Cook & Co., West Palm Beach bond brokers, for settlement of the city's unrefunded bond debt of \$1,420,000, which represents about 2 per cent of the city's bonded debt.

It is contended that the Cook contract is in violation of the city's 1926 bond settlement plan which was recently dismissed in bankruptcy proceedings in Federal court in Miami.

Toucheon Is In Governor's Race

Dade City, Nov. 2.—"Toucheon for Governor" state headquarters were opened in Dade City this past week in support of Fred L. Toucheon, an avowed candidate. Toucheon has not as yet made his official announcement, but is quoted by the Dade City Banner as stating: "When I make official announcement and officially qualify for the Governorship by paying the starting fee, I will at the same time withdraw from private business and devote my full time to the campaign, visiting every county in the state and practically every precinct in each county."

"Common sense from a church bulletin board: 'If your knees knock, kneel on them.'"
